Noida, Uttar Pradesh, India

## Professional Summary

Data Analyst with 2+ years of experience building automated reporting solutions and scalable data pipelines at HCLTech. Specialized in SQL optimization, ETL workflows, and Power BI dashboards to enable data-driven decision-making. Strong expertise in Python, SQL, Excel, and business intelligence with focus on process automation and data quality.

## Core Skills

**Programming:** Python, SQL

**Data & Analytics:** Power BI, Advanced Excel, ETL Pipelines, Data Modeling, Statistical Analysis

**Tools:** REST APIs, Git, Data Visualization, Reporting Automation

**Competencies:** Data Analysis, Business Intelligence, Process Optimization, Root Cause Analysis, Data Validation

## Professional Experience

**HCLTech — Analyst** | Sep 2025 – Present

- Built automated Power BI dashboards and Python workflows, reducing manual reporting effort by 40%
- Performed large-scale SQL and Excel analysis to uncover trends and improvement opportunities
- Streamlined ETL pipelines via automation, improving efficiency by 30%
- Implemented data validation frameworks achieving 99.9% reporting accuracy
- Collaborated cross-functionally to standardize data integration and reporting

**HCLTech — Graduate Trainee** | Mar 2024 – Aug 2025

- Led data preparation and transformation initiatives processing 100K+ monthly records
- Developed automated KPI dashboards and enterprise reporting solutions
- Conducted root cause analysis reducing incident resolution time by 25%

**RhythmFlows Solutions Pvt. Ltd. — Software Engineer Intern** | Sep 2023 – Feb 2024

- Designed ETL pipelines and optimized SQL queries improving retrieval performance by 50%
- Developed RESTful APIs and automated reporting tools improving data accessibility and accuracy

## Key Projects

- Automated Reporting Dashboard: End-to-end Power BI solution integrating SQL and Python for real-time insights
- Data Pipeline Optimization: Reduced processing time from 4 hours to 90 minutes via parallel ETL workflows
- Portfolio Website: Built technical portfolio showcasing analytics and engineering projects

## Education

**MCA**, Savitribai Phule Pune University | 2022 – 2024

**BCA**, Punyashlok Ahilyadevi Holkar Solapur University | 2019 – 2022
